

PERMISSION FOR A CHILD TO APPEAR

This form must be signed BEFORE filming, not afterwards. If a parent or guardian has not signed, the child is not filmed. There is no exception to this, including when the child is keen and the parent is nearby.

WHAT YOU ARE AGREEING TO

I am the parent or legal guardian of the child named above. I agree that Deustar Pty Ltd, trading as Alpha Mart, may record the child's image and voice, and may use that recording to promote Alpha Mart on social media, on its website and in printed material.

I understand that no payment is made, and that I may withdraw permission at any time.

- ☐ I agree to the child being filmed and photographed as described.
- ☐ **Optional** — the child's **first name only** may be shown on screen. Leave blank and no name will appear.
- ☐ I confirm I have told Alpha Mart about any **allergies or dietary requirements** on the separate sheet, if the child will be eating or drinking on camera.

WHAT WE WILL NEVER DO

- Never publish a child's surname, school, address or any contact detail.
- Never publish an image of a child on its own alongside a location that could identify where they will be at a given time.
- Never use a child's image in paid advertising without asking you again, separately.
