

ALLERGIES AND PARTICIPATION

For anyone who will eat or drink on camera. Complete one per person, **before anything is opened**. For anyone under 18, a parent completes it.

If any allergy is listed, that person does not eat anything on camera until Alpha Mart has checked the packaging. If there is any doubt at all, they do not eat it. We are not the authority on what is in a packet — the packet is.

ALLERGIES AND INTOLERANCES

Please list everything, including mild reactions. Peanuts, tree nuts, sesame, soy, wheat, gluten, dairy, egg, fish, shellfish and sulphites all appear in Indonesian snacks.

ALLERGIES OR INTOLERANCES — WRITE NONE IF THERE ARE NONE

ANYTHING ELSE WE SHOULD KNOW

- ☐ I confirm the above is complete and correct.
- ☐ I understand Alpha Mart cannot guarantee any product is free of an allergen, and that the packaging is the only authority.
- ☐ I understand I may decline any item at any time, on or off camera, without giving a reason.

DIETARY AND RELIGIOUS REQUIREMENTS

REQUIREMENTS — FOR EXAMPLE HALAL, VEGETARIAN, VEGAN

Alpha Mart will not state on camera or in writing that any product is halal, vegan or free of an allergen. Where this matters, we show the packet and let it speak.
